Trading Hero's Journey Map

What if the market isn't happening to you... but for you?

The Wall Street Coach

The ouroboros symbol represents eternity, cycle of death and birth, endless return, infinity.

This symbol represents your crossing the finish line of your old way of being. Now you've taken the "red pill." You are crossing over...finishing up who you used to be. This is the threshold of a new journey...one that will ask everything of you. Now you are choosing to allow your trading to uplevel your consciousness. It's the end of the old you and the birth of the heroic you. It's the end of the ordinary world and the beginning of the special world. Welcome to your Trader Hero Journey.

"We have not even to risk the adventure alone; for the heroes of all time have gone before us; the labyrinth is thoroughly known; we have only to follow the thread of the hero-path. And where we had thought to find an abomination, we shall find a god; where we had thought to slay another, we shall slay ourselves; where we had thought to travel outward, we shall come to the center of our own existence; and where we had thought to be alone, we shall be with all the world."—Joseph Campbell,
